Shop/Job-Site Permission Slip

To the parents of Franklin County Technical School students:

Please read and sign below to allow your child to participate in all shop job-site trips.

We expect the teachers/chaperones will take reasonable precautions to insure the safety of our child and we absolve the school system and teachers/chaperones from liability for any accident or illness which might occur on this trip. Should it be necessary to incur additional expenses and/or treatment during the trip, we give trip leaders permission to use their judgment in such matters and will reimburse them for any expenses. We, as parents/guardians, have decided (with or without medical assistance) that our child is physically able to participate and we acknowledge that any accident insurance we consider necessary will be our responsibility to locate and purchase.

I _____ GIVE MY SON/DAUGHTER _____
PARENT/GUARDIAN STUDENT NAME
